PRESIDENT: Mr. Speaker.

SPEAKER LUEDTKE: Mr. President, members of the Legislature, before I move to adjourn I would just like to say one thing. We've wasted quite a bit of time in arguing over motions. If we had put it on the agenda in an orderly fashion, we could have got it to the attention of the body. I'm going to request, if you ask me to take care of the agenda, would you please bring these matters to me at least in the afternoon so that I know what is going to be on the agenda. It is very difficult to control an agenda by bringing up motions, interspersing them with the agenda. So I am asking you, if you have a motion, take them up when we have motions, but please let me put it on the agenda first if we can in order to be orderly. All right, with that, I move that we adjourn until 9 o'clock Tuesday morning.

PRESIDENT: Now your agenda says 9:30, but it is 9:00 tomorrow.

SPEAKER LUEDTKE: No, that was inadvertent.

PRESIDENT: The question is shall we be in adjournment until 9:00 tomorrow. All in favor say aye. Contrary say nay. We are in adjournment until 9:00 tomorrow.
